

- Look at pages 130 and 131 in your dictionary. Circle the words to complete the sentences.
 - The bicycle is going east / west on Green Street.
 - It just went past Mel's / Print Quick.
 - The orange car is going north / south.
 - To get to the bus stop, the bus must turn right / left at the intersection.
 - Dan's Drugstore is on the northwest / northeast corner.
- Look at the map. Use your pen or pencil to follow the directions to a shoe store. Put an X on the shoe store.

DIRECTIONS: Go north on Main. Turn right on the highway (Route 1). Go straight on Route 1. Cross the tracks and continue to Clinton. Turn left. The store is on the left side of Clinton, but you can't make a U-turn there. So, continue north on Clinton. Go past the hospital. Turn left on Bond, left on Smith, and left again on Adams. Then turn right on Clinton. The shoe store is in the middle of the block, on the west side.

- Look at the map in Exercise 2. *True or False?*

- This is an Internet map. false
- The map has a key. _____
- There is a symbol for schools. _____
- One inch equals 1/10 of a mile. _____

CHALLENGE Give directions to a place near your school. Draw a map.
