

Lyrics

The rooms were so much colder then

My father was a soldier then

Times were very hard when I was young

When I was young

I smoked my first cigarette at ten

And for girls I had a bad yen

I learned quite a lot when I was young

When I was young

When I was young, it was more important

Pain more painful, laughter much louder, yeah

When I was young, I had an understanding

Much more love, fear not fearless, yeah

When I was young

When I was young

I met my first love at thirteen

She was brown and I was pretty green

I learned quite a lot when I was young

When I was young

When I was young, it was more important

Pain more painful, laughter much louder, yeah

When I was young, I had an understanding

Much more love, fear not fearless, yeah

When I was young

When I was young

My life was so much stronger then

I believed in fellow men

I was so much older then

When I was young

When I was young

When I was young

When I was young

So very, very young

Life was so much sweeter then

When I was young

So very, very young

When I was young

So very young

Life was so sweet

When I was young

When I was young

When I was young

So very, very young
