

# The Wheel Lyrics

The wheel is turning and you can't slow down  
You can't let go and you can't hold on  
You can't go back and you can't stand still  
If the thunder don't get you then the lightning will

Won't you try just a little bit harder  
Couldn't you try just a little bit more  
Won't you try just a little bit harder  
Couldn't you try just a little bit more

Round, round, Robin run around  
Gotta get back where you belong  
Little bit harder, just a little bit more  
Little bit further than you gone before

The wheel is turning and you can't slow down  
You can't let go and you can't hold on  
You can't go back and you can't stand still  
If the thunder don't get you then the lightning will

Small wheel turn by the fire and rod  
Big wheel turn by the grace of God  
Every time that wheel turn round  
Bound to cover just a little more ground

The wheel is turning and you can't slow down  
You can't let go and you can't hold on  
You can't go back and you can't stand still  
If the thunder don't get you then the lightning will

Won't you try just a little bit harder  
Couldn't you try just a little bit more

Won't you try just a little bit harder  
Couldn't you try just a little bit more
